Subject: REQUEST FOR EXTENSION OF TENDER DATE – CONSTRUCTION OF NEW ATCT, FIRE STATION & ALLIED FACILITIES AT SKARDU INTERNATIONAL AIRPORT

Respected Sir,

We intend to participate in the tender for “Construction of New Air Traffic Control Tower (ATCT), Fire Station and Allied Facilities at Skardu International Airport, Skardu,” scheduled to be opened on **25th August 2026**.

Due to the technical complexity of the project and the time required to obtain and verify quotations/rates for specialized works and equipment, we are facing genuine difficulties in completing our technical and financial proposal within the available time.

We therefore respectfully request your good office to **extend the tender submission/opening date by at least 15 days**, enabling us to prepare and submit a complete, technically sound and competitive bid.

Your kind consideration will be highly appreciated.

Yours faithfully,

M/S Zulfiqar Ali Sadpara
