Subject: Package-III: Electro-Mechanical Works of Attabad Lake Hydropower Project (54 MW)
--- Pre-Bid Clarification

Dear Sir,

This is with reference to the Invitation to Bid / Proposal for the subject cited project. We have initially gone through the bidding documents and request the Employer for the following:

1. Sr. No. 4.2(a) of Section-III [Evaluation and Qualification Criteria] requires that "A minimum number of contracts specified below that have been satisfactorily completed as a Prime Contractor, Joint Venture Member, Management Contractor or Subcontractor between January 01, 2005 and Proposal submission deadline: Either
One Contract of Hydropower Projects of 45 MW or higher and should be in successful commercial operation for one year
Or
Two (02) separate Contracts of Hydropower Project totaling 45 MW or higher and at-least one should be in successful commercial operation for one year.

.....
Keeping in view the true spirit of EPC contract, we hereby request the Employer to modify the said criteria as follows:

One Contract of Hydropower Projects of 45 MW or higher and should be in successful commercial operation for one year

Or

Three (03) separate Contracts of Hydropower Project totaling 45 MW or higher and with one of the contracts must be at least 35 MW and at-least one should be in successful commercial operation for one year.

.....

Furthermore, due to Eid-Al-Azha holidays in the next week and other unforeseen circumstances, we are finding it challenging to meet the current deadline and in dire need of extension in bid submission date. We believe that an extension will allow us to submit a more comprehensive and competitive proposal that aligns with your project requirements. Therefore, the Employer is requested to kindly extend the date for submission for one month and oblige

Thanking and assuring you of our best services and cooperation.

With Best Regards,

(Chen Yejiang)

Chief Representative
