SUBJECT: PACKAGE-III ELECTRO-MECHANICAL WORKS ATTABAD LAKE
HYDROPOWER PROJECT (54 MW)
REQUEST FOR CLARIFICATION NO. 03
REQUEST FOR EXTENSION OF BID SUBMISSION DATE

Dear Sir,

We are extremely pleased to participate in the bidding process for the subject project. In order to comprehensively analyze all aspects of the bidding documents, proposal requirements, and other relevant factors, we would like to request your good office to kindly extend the bid submission date by two months.

It is further submitted that the current economic situation of the country, reduced working hours, continuous fluctuation in fuel prices, transportation costs, and market rates are directly affecting the process of obtaining firm and competitive quotations from suppliers, subcontractors, and vendors. Additional time is therefore required to properly evaluate these factors and prepare a realistic and competitive proposal.

We believe that a two-month extension will enable us to prepare our proposal more carefully, accurately, and competitively for this esteemed project.

Thanking you and assuring you of our best services,

Sincerely,
