Lahore

**SUBJECT: REQUEST FOR CLARIFICATION REGARDING INCREASE IN BID BOND VALUE
AND EXTENSION OF TENDER SUBMISSION/OPENING DATE – TENDER NOS. T-
4431, T-4432 & T-4433**

Respected Sir,

It is respectfully submitted that we would like to seek clarification regarding the increase in Bid Bond value mentioned in the tender documents for the following tenders:

- Tender No. T-4431: Procurement of 340 Nos. 50 KVA Distribution Transformers
- Tender No. T-4432: Procurement of 534 Nos. 100 KVA Distribution Transformers
- Tender No. T-4433: Procurement of 1,110 Nos. 200 KVA Distribution Transformers

We would like to bring to your kind attention that the Bid Bond amounts mentioned in the above tenders are approximately 50% higher than the Bid Bond amounts mentioned in the previous tenders of similar nature/capacity.

As the tender documents mention a Bid Bond requirement, we kindly request LESCO to confirm/reconsider the Bid Bond amounts mentioned in the above tenders and clarify whether the stated values are correct or will be revised/reduced, so that all prospective bidders may proceed accordingly.

In view of the above, we kindly request that the tender submission/opening date may please be extended, so that sufficient time is available to all prospective bidders after issuance of any necessary clarification or corrigendum for preparation of bid guarantees.

We therefore request that necessary clarification/corrigendum may kindly be issued regarding:

1. Confirmation of the Bid Bond amounts for Tender Nos. T-4431, T-4432 and T-4433, particularly in view of the approximately 50% increase compared with the previous tenders; and
2. Extension of the tender submission/opening date for arranging the Bid Bonds.

Your kind clarification and consideration in this regard will be highly appreciated.
