Subhead: Request for Inclusion of "Partnership Firm" Option in the Bidding Portal

Dear Sir,

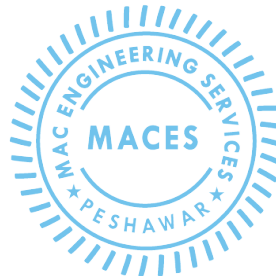

It is respectfully submitted that we intend to participate in the subject tender process as a **Partnership Firm**.

However, upon accessing the available bidding portal / system, we have observed that there is **no option available for registration or submission under the category of a Partnership Firm**.

In view of the above, it is kindly requested that the option for **Partnership Firms** may please be included in the bidding portal/system at the earliest. This will enable us and other eligible partnership firms to participate in the tender process.

Your kind cooperation and prompt action in this matter will be highly appreciated.

With Best Regard's
