

Dated: 06 July, 2026

To,
The Director Procurement (Distribution)
MEPCO Headquarters
MEPCO Complex, Wapda Colony
Khanewal Road, Multan City,
Multan.

Subject: Pre-Bid Clarifications / Reservations - Tender No. (01/27) for Procurement of Truck Mounted Cranes (03 Ton), Due on 14 July 2026

Respected Sir,

With reference to the above-mentioned tender and the Pre-Bid Meeting scheduled to be held on Tuesday, 07 July 2026 at 11:00 AM at the office of the Director Procurement (Distribution), MEPCO Headquarters, Khanewal Road, Multan, we respectfully submit the following observations and requests for clarification for your kind consideration.

It is respectfully submitted that the Public Procurement Rules, 2004 are intended to ensure fair competition, transparency, economy, and maximum participation of qualified bidders. In this spirit, we request the Procuring Agency to kindly consider the following:

1. Requirement of PEC Registration (Category CB)

The bidding documents require bidders to possess a Pakistan Engineering Council (PEC) Registration in Category CB.

Since the subject procurement pertains exclusively to the supply of Truck Mounted Cranes (Goods) and the bidding documents already prescribe comprehensive qualification requirements, including Manufacturer's Authorization, relevant experience, technical compliance, and ISO certifications, the mandatory requirement of PEC Registration (Category CB) appears to be beyond the scope of the procurement.

Furthermore, PEC registration is generally applicable to engineering consultancy and construction works, whereas the present procurement is for the supply of machinery and equipment.

We therefore respectfully request that the requirement of PEC Registration (Category CB) may kindly be withdrawn from the eligibility criteria, thereby promoting wider participation of qualified manufacturers, authorized dealers, and suppliers without compromising the technical standards or quality requirements of the procurement.

Rawalpindi Office: H #. 615-D, Lane # 05, Peshawar Road, Rawalpindi.  +92 51 5167348

2. Participation through Joint Venture (JV) / Consortium

The Bid Data Sheet provides that:

- **JV/Consortium or Association Allowed: No**
- **Number of JV/Consortium Members: Nil**

Considering the specialized nature of the procurement, we respectfully request that participation through a legally enforceable Joint Venture (JV) or Consortium may be permitted, subject to compliance with all qualification, technical, and contractual requirements of the bidding documents.

Allowing Joint Venture or Consortium participation would broaden competition, encourage participation of technically competent firms, and enable the Procuring Agency to obtain more competitive and technically advantageous bids while fully safeguarding its procurement objectives.

We respectfully request the Procuring Agency to kindly review the above observations and issue appropriate clarifications or amendments, if deemed appropriate, in the interest of promoting fair competition and ensuring value for public procurement.

We shall be grateful for your kind consideration.

Yours faithfully,

For and on Behalf of
G Med Private Limited
