**Subject: REQUEST FOR INCLUSION OF PARTNERSHIP FIRM OPTION FOR
TENDER BIDDING**

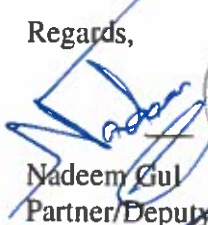

Dear Sir,

It is submitted that we intend to participate in the tender process as a partnership firm. However, the available bidding system does not provide an option for registration/submission under the category of a partnership firm.

You are kindly requested to include the partnership firm option in the bidding portal/system to enable us to participate in the tender process.

Your kind cooperation and prompt action in this regard will be highly appreciated.

Regards,
